| X-rays | \$70/set (typically 2 sets with initial start up) |
| Adjustments | \$40 |

On your second visit, Dr. Sullivan will review the results of your child's exam and go over their care plan. We will also review the financial responsibilities regarding care. If you have insurance, please read the section below.

Insurance: We used to be 'in network' with many insurance companies; however, we found being 'out of network' offered our patients *better* coverage and *fewer* restrictions. Currently we are 'in network' with BC/BS & Medicare. We are considered 'out of network' for all others. You may call the (800) number on the back of your card to check your coverage; however, we will call to verify your chiropractic benefits and discuss them with you on your second visit when the doctor reviews your care plan.

MEDICAID – Currently Medicaid DOES NOT offer ANY chiropractic benefits. The fees listed above will be your full financial responsibility if you have Medicaid or any Medicaid type policy.
