Fees & Care Plans:

Exam = $80 -$95 X-rays = $75/set Adjustments = $45-$60

Insurance: We used to be 'in network' with many insurance companies however we found being 'out of network' offered most of our patients' *better* coverage and *fewer* restrictions. We can work with most insurance companies to submit claims electronically on your behalf. Currently we are ***'in network'*** with **Medicare** and are considered ***'out of network'*** for **all others**. You may call the (800) number on the back of your card to check your coverage; however, we will call to verify your chiropractic benefits and discuss them with you on your second visit.

MEDICARE – Medicare has chiropractic coverage; however, they **DO NOT** contribute towards ***exams or xrays***.

MEDICAID – Medicaid **DOES NOT** offer ANY chiropractic benefits. Fees listed above will be your full financial responsibility.

I understand that I am directly and fully responsible to BC Family Chiropractic for all fees associated with chiropractic care whether or not paid by insurance. If I have insurance, I authorize and assign all insurance benefits payable to me for services rendered if BC Family Chiropractic accepts assignment on my behalf. I authorize use of my signature below on all insurance submissions. Copies of any x-ray reports will be released upon written request; however, the original films are the sole legal property of this practice and that by law the doctor must retain these films for a period of no less than 7 years. The above information is true and accurate to the best of my knowledge.
