Fees & Care Plans:

Initial Exam	$95 - $125
X-rays	$75/set (typically 2 sets with initial start up)
Adjustments	$45 - $60
Re-Exam	$60

On your second visit, Dr. Sullivan will review the results of your child's exam and go over their care plan. We will also review the financial responsibilities regarding care. If you have insurance, please read the section below.

Insurance: We used to be 'in network' with many insurance companies however we found being 'out of network' offered most of our patients' *better* coverage and *fewer* restrictions. We can work with most insurance companies to submit claims electronically on your behalf. Currently we are ***'in network'*** with **Medicare** and are considered ***'out of network'*** for **all others**. You may call the (800) number on the back of your card to check your coverage; however, we will call to verify your chiropractic benefits and discuss them with you on your second visit.

MEDICAID – Medicaid **DOES NOT** offer ANY chiropractic benefits. Fees listed above will be your financial responsibility.
