**Insurance:** We used to be 'in network' with many insurance companies however we found being 'out of network' offered most of our patients' *better* coverage and *fewer* restrictions. We can work with most insurance companies to submit claims electronically on your behalf. Currently we are '**in network**' with **Medicare** and are considered '**out of network**' for **all others**. You may call the (800) number on the back of your card to check your coverage; however, we will call to verify your chiropractic benefits and discuss them with you on your second visit.

**MEDICAID** – Medicaid **DOES NOT** offer ANY chiropractic benefits. Fees listed above will be your financial responsibility.
